

MediaPress OS X Software Upgrade order form

Complete and submit this form to order the MediaPress OS X software upgrade. We will process the request and e-mail your activation code.

The OS X software upgrade costs \$99

We accept Visa, MasterCard and American Express. If you prefer to pay by wire transfer, mention that in the 'Special Instructions' area and we will send you our bank details.

Please fax your completed request to 1-651-653-4257

Authorization Details

Client ID from your MediaPress

 - - -

You can find the Client ID of your board under OS 9 by launching the MediaPress application and choosing 'About MediaPress Application' from the Apple Menu.

If your computer cannot boot in OS 9, simply [download](#) and install the MediaPress X software and launch it; the Client ID will be displayed in the dialog which asks for the activation code.

NOTE - Be sure to enter the Client ID number accurately to insure that the upgrade activation code will work.
